

---

# Illinois State University is spending the week celebrating our transfer students.

This [National Transfer Student Week](#), we're celebrating current and future transfer students and our dedicated staff who work hard to make sure they find their home at Illinois State. Here are a few of the things happening to celebrate all week long:

- **Monday, October 18:** Transfers can share their story on social media with [#TransferRedbird](#) and [#NTSW2021](#) for the chance to win swag in our photo contest.
- **Tuesday, October 19:** Students can attend a [Virtual Transfer Application Walkthrough](#) session led by our transfer admissions counselors.
- **Wednesday, October 20:** Students can [meet individually with a transfer admissions counselor](#) via Zoom to get their questions answered.
- **Thursday, October 21:** Students can attend a [Virtual Transfer Information Session](#) to learn everything they need to know about transferring to Illinois State.
- **Friday, October 22:** Students can attend an in-person [Transfer Campus Visit](#) to learn how to make the transition to Illinois State and enjoy a student-led walking tour of campus.

No matter how you're celebrating National Transfer Student Week, we wanted to say **thank you** for supporting our students as they transition to Illinois State. You make a difference!

Sincerely,  
**Office of Admissions**  
Illinois State University
